

Mrs Ilona Shewell

Teacher-Aide

I am a mother of two wonderful young boys. My eldest currently attends Cornerstone Christian School and my youngest will be starting at Cornerstone very soon. Our Cornerstone story is relatively new. We made the big move from South Africa and have been made to feel so 'at home' at Cornerstone.

Since having my boys, my desire to help and guide children along their learning journey has developed. I am passionate about helping grow and stimulate our children's minds. It is so unbelievably rewarding to see them grow from strength to strength. It is with much pride that I am able to do this as a teacher aide. I assist teachers in the Aroha team, Years 1-2, and absolutely love getting to know each and every one of the students. I am also responsible for the ESOL teaching in the Aroha team. This is a wonderful opportunity to both grow our young minds in the English language and to gain a better understanding of different cultures. Our God has made each and every child so unique and so very special. I am privileged to be able to, with Gods guidance, help our children where needed and to support them spiritually at all times.
